

Young Adults Summer

Are you an **18- to 25-year-old** who wants to quickly develop your **knowledge of French or English**? Do you have to prepare for an **exam (BULATS, IELTS, DCL, DELF, DALF, TEF, TCF, etc.)**? Are you taking part in an **exchange programme** or **higher education** in a foreign language? Would you like to **prepare for your future career development**?

The **Young Adults Summer** programme allows you to acquire general knowledge of the language and develop the mastery of the latter in an **intensive** and **fast** manner thanks to the **stimulating interaction** of group lessons. This **residential immersion** formula is the ideal solution for **effectively** developing your communication skills in contact with young people of the same age and from different nationalities while having a **real multicultural experience**.

Your training programme: a comprehensive system for your project

10 days' residential immersion training, alternating between learning and communication activities (breaks, meals, evening activities) and sports, cultural, and relaxation activities

Every day:

- ✿ **3 oral communication activities**
- ✿ **2 written communication activities**
- ✿ **1 multimedia session**
- ✿ **1 workshop based on specific needs**
- ✿ **1 press review**
- ✿ **1 themed evening activity**
- ✿ **2 sports, cultural and relaxation activities**
- ✿ **breakfast, 2 breaks, 1 lunchtime debate and dinner led by a trainer**

2 excursion days during the weekend between the 2 training weeks

In practice: organisation to suit your needs

- ✿ Target languages: English (30/06 - 12/07/2019) | French (14/07 - 26/07/2019)
